

Red Sea Liveboard

March 26 – April 2, 2020

Price: \$1260-1300 per person, double occupancy

Join Gulfport Dive Center for 8 days / 7 nights aboard the majestic Heaven Saphir as we explore the depths of the Red Sea. The trip will begin and end in Hurghada, Egypt. Our route will take us through Abu Nuhas, also known as “The Ships Graveyard”, all the way up to the legendary Brother Islands.

Egypt’s reefs are brimming over with life; bright corals and clouds of fish dazzle with a kaleidoscope of color. Stating that the waters here are calm and clear seems like a bit of an understatement. Expect

to encounter the usual array of colorful reefs and fish and their associated activity in abundance. Turtles, humphead wrasse, trumpetfish, crocodilefish, blue-spotted rays and an assortment of morays are all there waiting to delight. Whitetip and grey reef sharks patrol and barracuda, mackerel and tuna guard the blue. Mothfish and stonefish and the ever-present lionfish hide in plain sight and you might even be lucky to see a stargazer or frogfish too. Pipefish and nudibranch are a-plenty for the spotters. Plus, there’s a chance to see whale sharks, manta rays and dugongs!

Heaven Saphir is a 36m boat with 9 roomy cabins for up to 19 divers. Each cabin is equipped with toilet, shower, and air conditioning. The saloon is big and cozy with an LCD screen for watching movies and your underwater footage. All meals are European cuisine with a slight touch of Middle East. The exceptional chef cooks anything from fish or BBQ meats to fresh bread and delicious desserts; unlimited water, snacks, high brand coffee and tea are offered throughout your trip on board of Heaven Saphir, free of charge. You will find a variety of beers and wines in the saloon bar for additional charge. Between the dives you can enjoy the hot Egyptian sun on the sundeck, or you can hang out there in the evening with a drink, watching stars and listening to the sea.
