

Try Mermaid

The SSI Try Mermaid program is designed to give students the opportunity to try out mermaid equipment in a confined water environment. You will also learn how to properly equalize, dive with no mask, ascend and descend from a resting position on the surface, practice proper breathing techniques for breath hold diving, and fun mermaid tricks and skills. With less of a time commitment than the standard Mermaid class, Try Mermaid classes are great for birthday parties or other events.

Minimum Age: 6 years old

Depth Range for training: 5 meters/15 feet

Time Commitment: One three hour training session.

Required Gear Checklist: All gear is provided by Gulfport Dive Center

Recommended Gear: Noseclips, reef safe sunscreen, weights (if wearing a wetsuit), towel, warm clothes are also recommended.

Price: \$130
