

## LOOKING FOR A NEW ADVENTURE?

Try Scuba! It's your opportunity to discover the magical world of colorful fish and living reefs in crystal clear blue and warm water - Scuba Diving! There's nothing like it. Scuba Diving is much easier than you think and Try Scuba will prepare you to participate in this new sport that awaits you. Dive into a whole new world.

To truly enjoy your first experience underwater, you will need someone you can trust. SSI is one of the largest, most trusted and respected internationally recognized training agencies in the world today. An SSI Dive Professional will teach you everything you need to know and under their guidance, you will learn the skills you need to enjoy this first experience underwater.

Before you start your new experience, you can conveniently study the academics right on your computer, iPad or Smartphone with SSI's Digital training.

We're sure that once you try it, you'll love it! Afterwards, it only makes sense that you continue your adventure to become a certified diver. Your Try Scuba recognition card will be your first step. If you decide to become an Open Water Diver within the first six months, the cost of your Try Scuba experience will be applied to the cost of that class.
